

STOCK IMAGE LIBRARY

(100 Points)

Create your own library of stock photographs. You need to shoot a minimum of 1000 images with your favorite fifty copied (NOT moved!) to a separate folder. Burn all to DVDs and place in a paper sleeve with corresponding contact sheets printed (can be in black & white on regular printer paper) and three hole punched so as to be placed in a three ring binder.

Grade Breakdown:

_____/25 Points Basic Completion of Shooting Requirements

_____/25 Points Proper Archiving

_____/50 Points Creative Vision
