

Portraits

50 points

Shoot portraits of yourself and your friends. You need to have seventy five pictures of other people and twenty five images of yourself. The self portrait needs to be TAKEN BY YOU using either the self timer button or else holding it out and aiming it at yourself. LETTING A FRIEND TAKE IT FOR YOU DOES NOT COUNT!

Grade Breakdown:

_____/10 Points Proper Exposures

_____/20 Attention to Composition

_____/20 Points Creative Vision
