

North Alabama Railroad Museum

100 points

Make photographs of the North Alabama Railroad Museum located on Chase Road between Moores Mill and Meridian street, either during the time provided during our class field trip or on your own. Your goal is to try to make the images that you don't believe anyone else would think to, so be creative! You need to make one 8x 10 print in the darkroom as well as shoot at least 100 digital images to be critiqued in class.
